

## COMMUNITIES IN SCHOOLS SOFTWARE SOLUTION

### Connecting Students to the Resources They Need

CaseWorthy brings together all the information you need to gather in one, secure place so it's easier for schools and communities to work together to meet students' needs. The system updates in real-time, so schools can track behaviors, tardies, grades, test scores, and more.

— “ —  
In the U.S., 13 million  
children under age 18  
live in poverty.<sup>1</sup>

— <sup>1</sup> Communities in Schools.
